

## VACANCY

### Volunteer Delivery Drivers

Port Vale Foundation is an independent and registered charity. We use the power Port Vale Football Club to create opportunities through the power of the football club to engage, motivate and inspire people from all sections of our community, helping them to fulfill their potential.

During the summer holidays 2022, we will be running a range of programmes for children and young people in Stoke-on-Trent. Our programme includes sports and activity camps taking place in local schools on site at Port Vale FC.

As part of our commitment to supporting young people across Stoke-on-Trent we provide a meal to every young person who takes part in our programme, supported by the Hubb Foundation.

To support the programme we are looking to recruit a team of volunteer delivery drivers. To apply please follow the link below.

All of our drivers will need a clean UK Driving licence and be required to undertake a Disclosure and Barring Service background check. Fuel expenses are paid at 45p per mile.

Closing Date is rolling
